To Whom It May concern:

I am writing to urge the FCC to deny the proposed merger between Sinclair Broadcasting and Tribune Media. In my view, this merger would create an unacceptable monopoly of opinion in many areas of the country. Sinclair Broadcasting has already shown a willingness to subvert local media objectivity with specious segments that are imposed on the local affiliates by the Corporation. There is nothing to suggest they would not increase this deplorable activity if the merger is allowed to proceed.

Again, in the strongest possible terms, I urge you to deny the merger.

Sincerely,

Donald E. Jones
